

Country Pride Services Cooperative
5th Annual Winter Agronomy Meeting
Thursday March 1st, 2012
9:30 A.M.
Bingham Lake Agronomy Office

Country Pride Agronomy Department invites you to a winter agronomy meeting on Thursday March 1st, 2012.

Presenters include:

Mike Meether of United Services Association Fertilizer

- *What's new in the fertilizer markets?*

Ryan Wolf of Winfield Solutions

- *The Seven W's of application errors.*
- *Answers from the answer plots.*

Paul Karpinsky of Syngenta Crop Protection

- *The reality of weed resistance.*

As we continue to strive for higher yields and quality crops, information regarding new practices and techniques are more important than ever.

Be sure to attend.

****Lunch Will Be Provided After The Meeting****

***IF YOU ARE UNABLE TO ATTEND THE BINGHAM LAKE MEETING, AN ADDITIONAL MEETING WILL BE HELD AT THE **FULDA** LOCATION IN THE AFTERNOON STARTING AT 2:00 P.M.**

Hope To See You There!
